**END OF SECTION**

## SECTION C      COMPENSATION AND PAYMENTS

### **Article C1      Method of Compensation**

The fees for Professional Services for the Project and each Work Order must be determined by one of the following methods or a combination thereof, at the option of the Town Manager or designee, with the consent of the Consultant.

- a) A Lump Sum, which may include not to exceed components in accordance with Section 3.01 below.
- b) An Hourly Rate, in accordance with Section 3.02 below and at the rates set forth in the Agreement.
- c) A Percentage of Construction Cost, in accordance with Section 3.03 below.

#### **C1.01      Consultant Not To Exceed**

Absent an amendment to the Agreement or to any specific Work Order, any maximum dollar or percentage amounts stated for compensation must not be exceeded. In the event they are so exceeded, the Town must have no liability or responsibility for paying any amount of such excess, which will be at Consultant's own cost and expense.

### **Article C2      Wage Rates**

#### **C2.01      Fee Basis**

All fees and compensation payable under this Agreement must be formulated and based upon the certified negotiated Wage Rates stated in Schedule 1 of the Agreement. Said Wage Rates are the effective direct hourly rates, as approved by the Town, of Consultant and Subconsultant employees in the specified professions and job categories that are to be utilized to provide the services under this Agreement, regardless of manner of compensation.

Should the Consultant intend to utilize personnel or Subconsultants for a Project where the Wage Rates have not been established, the Consultant must request that the Town add the person or Subconsultant's wage rates to Schedule 1. The Town may require that the Consultant provide documentation substantiating the request.

#### **C2.02      Employees and Job Classifications**

Form SC identifies the professions, job categories and/or employees expected to be used during the term of this Agreement. These may include engineers, landscape architects, professional interns, designers, CADD technicians, project managers, GIS and environmental specialists, specification writers, clerical/administrative support, and others engaged in the Work. In determining compensation for a given Scope of Work, the Town reserves the right to recommend the use of Consultant employees at particular Wage Rate levels. Consultant must not include any profession, job category or employees in a Work Order Proposal that do not appear on Form SC. Consultant must submit a request to the Town to add such to Form SC prior to the submittal of any affected Work Order Proposal.

#### **C2.03      Multiplier**

For Work assigned under this Agreement, a maximum multiplier of 2.9 for home office and 2.4 for field must apply to Consultant's hourly Wage Rates in calculating compensation payable by the Town. In no case shall the maximum billable hourly rate, including the multiplier, exceed one hundred sixty dollars (\$160.00) per hour for the Consultant. Should the Consultant have an approved multiplier with the State of Florida or Miami Dade County, the Town may elect to utilize either of these multipliers should they be less than above stipulated rates. Said multiplier is intended to cover Consultant's employee benefits (e.g. sick leave, vacation, holiday, unemployment taxes, retirement, medical, insurance and unemployment benefits) and Consultant's profit, and overhead including, without limitation, office rent, local telephone and utility charges, office and drafting supplies, depreciation of equipment, professional dues, subscriptions, stenographic, administrative and clerical support, management and supervisory

responsibilities, time or travel and subsistence not directly related to a Project. The multiplier must not be applied to the Principal, owner, or partner of the Consultant except where they are preparing drawings or specifications, preparing a study report, or similar tasks.

#### **C2.04 Calculation**

Said Wage Rates are to be utilized by Consultant in calculating compensation payable for Work Orders Proposals requested by Town. Consultant must identify job classifications, available staff and projected man-hours required for the proper completion of tasks and/or groups of tasks, milestones and deliverables identified in a request for a Work Order Proposal.

#### **C2.05 Wage Rate Adjustments**

The Consultant may request an adjustment to the Wage Rates on an annual basis. Such request may only be made where there has been an actual increase in a Wage Rate(s) by the Consultant. The Town may also request an adjustment to the Wage Rates where the Town Manager determines that extenuating circumstances exist. The maximum the Wage Rates depicted in Schedule 1 may be adjusted at the Consultant's request must be based on the Miami – Fort Lauderdale Consumer Price Index issued by the U.S. Department of Labor, Bureau of Labor Statistics. Such adjustment must be calculated by multiplying the ratio of the index in effect at that time divided by the previous year's index by the hourly rate entries in the Wage Rate Schedule to determine the adjusted Wage Rate Schedule. In no event must the Wage Rate increase by more than three percent (3%) in any one year period.

#### **Article C3 Computation of Fees and Compensation**

The Town agrees to pay the Consultant, and the Consultant agrees to accept for services rendered pursuant to this Agreement, fees computed by one or a combination of the methods outlined above, as applicable, in the following manner:

##### **C3.01 Lump Sum**

Compensation for a Scope of Work must generally be a Lump Sum, either a Fixed Fee or Not to Exceed Fee as deemed appropriate by the Town, to be mutually agreed upon in writing by the Town and the Consultant and stated in a Work Order. Lump Sum, and Lump Sum not to Exceed methods of compensation are the preferred methods of compensation.

**C3.01-1 Lump Sum Fixed Fee:** must be the total amount of compensation to be paid to the Consultant for the Services performed on a specific Project, or phase or task under a Work Order. Payments to the Consultant must be based on a percentage of completion basis.

**C3.01-3 Lump Sum Not to Exceed Fee** must establish the maximum amount of compensation to be paid to the Consultant for the Services performed on a specific Project, or phase, or task under a Work Order. Payments to the Consultant must be based on the actual work effort required to complete the Project, phase or task.

**C3.01-3 Guaranteed Maximum Lump Sum:** must be the total maximum fee amount payable by Town wherein certain aspects, tasks or allowances may not be defined, quantified and calculated at the time of Work Order issuance. A Guaranteed Maximum Lump Sum compensation may represent a combination of Fixed Fees for professional services and not to exceed allowances for Reimbursable Expenses or Additional Services.

**C3.01-4 Lump Sum Fee Adjustment:** Where the Town authorizes a substantial or material change in the Scope of Work, the Lump Sum Base Fee may be equitably adjusted by mutual consent of the parties, which must be reflected in an amendment to the Work Order.

**C3.01-6** Lump Sum Fees must be calculated by Consultant utilizing the Wage Rates established in Schedule 1 of the Agreement.

**C3.02 Hourly Rate Fees**

**C3.02-1** Hourly Rate Fees must be those rates for Consultant and Subconsultant employees identified in Schedule 1 Wage Rates. All hourly rate fees will include a maximum not to exceed figure, inclusive of all costs expressed in the contract documents. The Town must have no liability for any fee, cost or expense above this figure.

Hourly Rate Fees must be used only in those instances where the parties agree that it is not possible to determine, define, quantify and/or calculate the complete nature, and/or aspects, tasks, man-hours, or milestones for a particular Project or portion thereof at the time of Work Order issuance. In such cases, the Town will establish an Allowance in the Work Order that must serve as a Not to Exceed Fee for the Work to be performed on an Hourly Rate Basis.

Consultant must maintain records acceptable to the Town to track the hours of work performed by each person.

**C3.03 Percentage of Construction Cost**

This is a percentage fee based on the Total Authorized Design Value of a project said percentage being hereinafter called the "Base Fee," as mutually agreed upon in writing by the Town and the Consultant and stated in a Work Order or Notice to Proceed

**C3.03-1 Fee Computation:**

C3.03-1(a) The Total Authorized Design Value must be used and identified in the Work Order as the basis for establishing the compensatory fee for all phases identified as part of Basic Services.

C3.03-1(b) If the actual construction cost is increased during the construction phase, the "Actual Construction Cost" must be used as the basis for determining the fee for Construction Administration Phase if included in Basic Services.

C3.03-1(c) The term "Actual Construction Cost" does not include any compensation to the Consultant, the cost of the land, rights-of-way, works of art, permit fees or other costs which are the responsibility of the Town.

**C3.03-2 Inclusive Fee**

It is understood that with percentage compensation the Consultant must perform all services for the stated percentage of the construction cost budgeted when the contract is signed.

**C3.03-3 Changes to Project Scope**

If the Town authorizes an increase or decrease in the scope of the Project or the Total Authorized Design Value of the Project, the Base Fee will be adjusted accordingly, based on justification from the Wage Rates or as mutually agreed upon.

**C3.04 Reimbursable Expenses**

Any fees for authorized reimbursable expenses must not include charges for any expenses identified in Article C2.03, Multiplier. All reimbursable services must be billed to the Town at direct cost expended by the Consultant. Town authorized reproductions in excess of sets required at each phase of the Work will be a Reimbursable Expense.

The Town will reimburse the Consultant for authorized Reimbursable Expenses pursuant to the limitations of this Agreement as verified by supporting documentation deemed appropriate by Town Manager or designee including, without limitation, detailed bills, itemized invoices and/or copies of cancelled checks.

Article C5 contains additional information on the payment of Reimbursable Expenses.

**C3.05 Fees for Additive or Deductive Alternates**

The design of additive and deductive alternates contemplated as part of the original Scope for a Project as authorized by the Town Manager will be considered as part of Basic Services. The design of additive and deductive alternates that are beyond the original Scope of Work and construction budget must be authorized through a Work Order and must be billed to Town as Additional Services. The fees for alternates will be calculated by one of the three methods outlined above, as mutually agreed by the Town Manager and the Consultant.

**C3.06 Fees for Additional Services**

The Consultant may be authorized to perform Additional Services for which additional compensation and/or Reimbursable Expenses, as defined in this Agreement under Sections O and O respectively, may be applicable.

**C3.06-1 Determination of Fee**

The compensation for such services will be one of the methods described herein: mutually agreed upon Lump Sum; Hourly Rate with a Not to Exceed Limit, or Percentage of Construction Cost.

**C3.06-2 Procedure and Compliance**

An independent and detailed Work Order or an Amendment to a previously issued Work Order must be required to be issued and signed by the Town Manager for each additional service requested by the Town. The Work Order will specify the fee for such service and upper limit of the fee, which must not be exceeded, and must comply with the Town's regulations, including the Purchasing Ordinance, the Consultant's Competitive Negotiation Act, and other applicable laws.

**C3.07 Payment Exclusions**

Consultant must not be compensated by Town for revisions and/or modifications to drawings and specifications, for extended construction administration, or for other work when such work is due to errors or omissions of Consultant as determined by Town.

**C3.08 Fees Resulting from Project Suspension**

If a Project is suspended for the convenience of the Town for more than three (3) months or terminated without any cause in whole or in part, during any Phase, the Consultant must be paid for services duly authorized, performed prior to such suspension or termination, together with the cost of authorized reimbursable services and expenses then due, and all appropriate, applicable, and documented expenses resulting from such suspension or termination. If the Project is resumed after having been suspended for more than three months, the Consultant's further compensation must be subject to renegotiations.

**Article C4 Payments to the Consultant****C4.01 Payments Generally**

Payments for Basic Services may be requested monthly in proportion to Services performed during each Phase of the Work. Subconsultant fees and Reimbursable Expenses must be billed to the Town in the actual amount paid by Consultant. Consultant must utilize the Town standard Consultant Invoice Form that will be provided to the Consultant.

**C4.02 For Comprehensive Basic Services**

For those Projects and Work Orders contain multiple phases or task, payments must not exceed the amount stipulated for each phase and the aggregate payment must not exceed the total value of the Work Order

**C4.03 Billing – Hourly Rate**

Invoices submitted by Consultant must be sufficiently detailed and accompanied by supporting documentation to allow for proper audit of expenditures. When Services are authorized on an Hourly Rate basis, the Consultant must submit for approval by the Town Manager, a duly certified invoice, giving

names, classification, salary rate per hour, hours worked and total charge for all personnel directly engaged on a Project, phase or task. Reimbursable Services Cost should then be added to the sum for the total charges for the personnel. The Consultant must attach to the invoice all supporting data for payments made to and incurred by Subconsultants engaged on the Project. In addition to the invoice, the Consultant must, for Hourly Rate authorizations, submit a progress report giving an update on the completion of the Project and/or the applicable phase or task.

## **Article C5 Reimbursable Expenses**
